AO TALANE

Ao Talane is a seacoast that fronts vast emerald sea. Rich in natural evergreen forests, Ao Talane dazzles all eyes with its scenic coastline and in-land seas dominated by limestone mountains that reach the sky. Rest yourself here in supreme tranquility, where you and Nature breathe in perfect harmony.

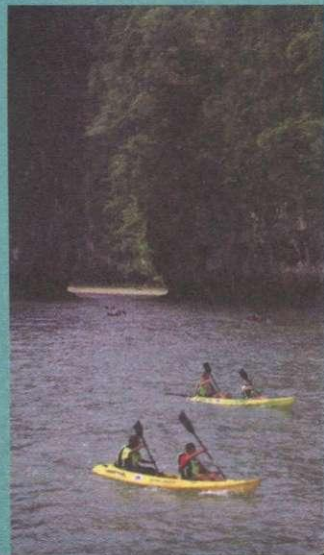

Travel services are available everyday from 8.30-16.00

HONG ISLAND

Set off through a group of small-and-medium-sized islands, and propel your boat to Hong Island, the largest island embraced by the emerald Andaman Sea. Be thrilled with a variety of exciting underwater activities. Snorkel through shoals of eye-catching fish, witness the inner beauty of both deep and shallow sea corals, swim along the clean white beach that surrounds the island, plunge into a large, beautiful and tranquil crescent-shaped lagoon which is the only entrance and exit to and from the island. You are sure to call this a miracle on earth.

Travel services are available everyday from 8.30-17.00

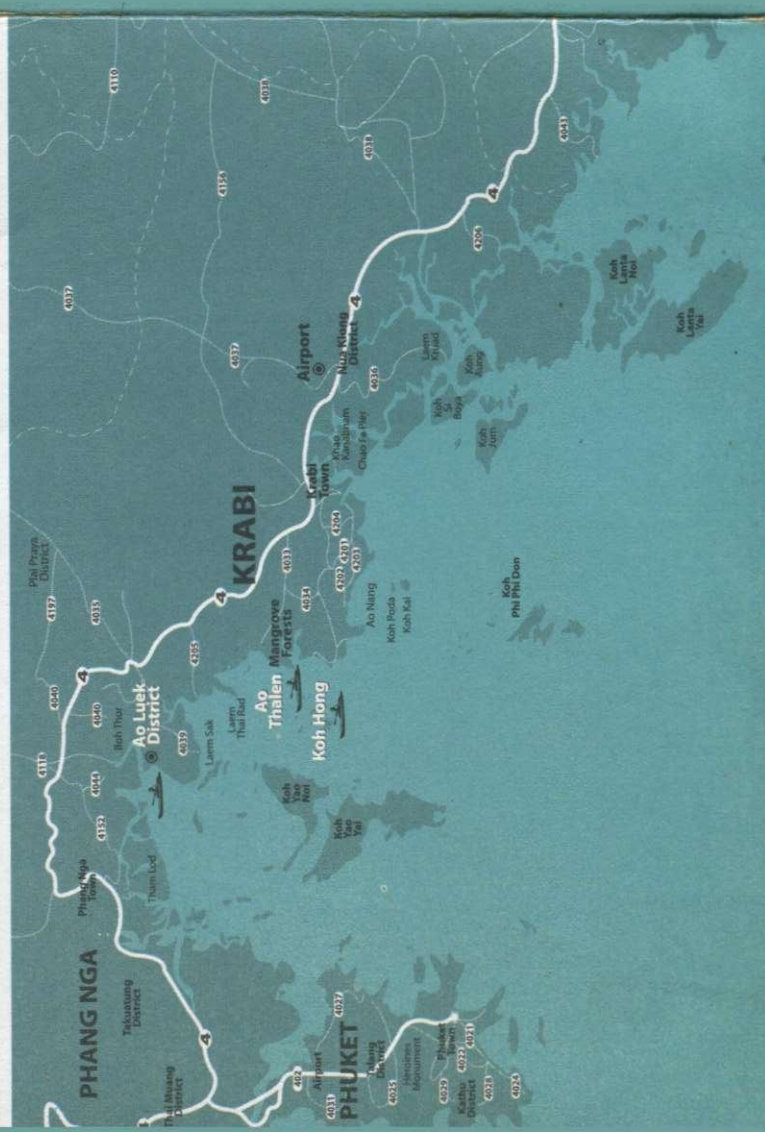

BAN BHO- THO

On your sea trip to Ao Luk District you pass breathtaking sights of abundant rainforests, towering mountain peaks and mysterious sea caves. The journey enables you to discover the innate beauty of stalactites at Tam Lod and Tam Hua To (or Tam Ka Lok), as well as, appraise the ancient rock drawings, which are approximately 3,000-5,000 years old, and are believed to be drawn by humans of the very first era on earth. Truly an unforgettable voyage!
